Date **Email**

Instructions

This is a fillable form. All necessary fields (except signature) may be filled using Adobe Acrobat. This form may also be printed and filled by hand. When filling electronically, use the Tab key to advance to the next field. Please do not make any marks in the **Office Use Only** box. For questions, please call the Pesticide Product Registration Section at (518) 402-8768.

1. Check the appropriate registration type. (See http://www.dec.ny.gov/chemical/8528.html to view a downloadable version of the New York State Pesticide Product Registration Procedures, April 2009).
2. Enter the EPA Company Number of the firm registering the product. This is the company number of the firm who will be responsible for the registration. Enter the company name, mailing address, city, state and zip code of the registering firm (where correspondence/registration certificates will be sent).
3. Enter the EPA registration number and product name for all products being registered. If more than eight products are being registered, please attach additional sheets.
4. Print the name, phone number and email address of the company's registering official. Sign and date the application.
5. Consult the checklists below regarding application requirements.
6. Include a check (payable to Commissioner, NYSDEC) for the non-refundable application fee. Fees are: $620 per product, or $600 per product if a copy of the company's federal tax return for the previous year is submitted, showing the company's gross annual sales are $3.5 million or less.

Check off the following items to be included with your registration application (* denotes this item is needed for each product on the application). Please note that incomplete applications will be returned.
