

**THE U.S. ENVIRONMENTAL PROTECTION AGENCY IS PLANNING
TO APPROVE A PCB CLEANUP AND DISPOSAL PLAN FOR THE
BUFFALO RIVER**

Notice is hereby given that the U.S. Environmental Protection Agency (EPA) Region 2 has received an application for a risk-based polychlorinated biphenyl (PCB) cleanup and disposal Approval for the Buffalo River; the cleanup and disposal activities are planned to be carried out by the EPA Great Lakes National Program Office and Honeywell International, Inc. As part of Region 2's evaluation of the application, public comments are being solicited. The public file is available for review at the following Region 2 web page:

<http://www.epa.gov/region2/cleanup/pcb/>

All comments will be received electronically addressed to James Haklar, Region 2 PCB Coordinator, at haklar.james@epa.gov. Comments must be received no later than August 25, 2014.
