EOERGE

Carl Heilman II

*"The everyday life of the world had receded far away.
We were alone among the stars."
—Edwin Way Teale*

Looking north to Black Mountain from Mingo Island

Full moon rising over Bolton Landing

*"Summer afternoon—summer afternoon; to me those have always been
the two most beautiful words in the English language."*

—Henry James

Cliff-jumping at the Calf Pen

*"To see the Summer Sky
Is Poetry, though never in a Book it lie
True Poems flee."
—Emily Dickinson*

*"That beautiful season the Summer!
Filled was the air with a dreamy and magical light;
and the landscape
Lay as if new created in all the freshness of childhood."
—Henry Wadsworth Longfellow*

Looking up Lake George toward the Tongue Mountain Range

Contemporary Landscape Photography is **Carl Heilman's** first instructional photography book. In it, he shares his 35 years of experience with other photographers, expert to beginner, who would like to create stunning landscapes.

With 300 beautiful color photos, this approachable, illustrated guide is a complete course in taking professional photographs in any landscape, natural or urban.

Contemporary Landscape Photography offers extensive information on digital cameras, lenses and working with tools such as the internet and integrating a GPS. The book also covers composition, lighting, creative effects and post-processing techniques.

The book is published by Amphoto Books and is available now at your favorite bookstore.
