

RECYCLABLE

TREASURE

# HUNT

COLLECT  
RECYCLABLES AROUND YOUR  
CAMPSITE!

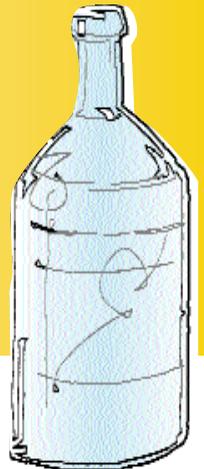

Collect your plastic bottles, aluminum cans,  
metal cans, paper and glass bottles.  
Count and record them. Then bring the empty, clean  
recyclables to your campground recycling center.

Plastic Bottles  
Look at the bottom,  
what do you see?

Returnable Cans and Bottles  
Some cans, plastic and glass bottles have  
deposits. Do you know why?

Glass Bottles  
Make sure they are  
rinsed out before you  
recycle them.

Metal Cans  
Be careful when you  
rinse metal cans:  
Do not cut yourself.

Aluminum Cans  
Do you know  
how much energy  
you save when you  
recycle one aluminum  
can?

NEWSPAPERS  
At your campsite, what should you do  
with newspapers?
