

Buy Green, Save Green: Rebates for New York State Local Governments

Rebate Program to Help Small Municipal
Governments Reduce Energy Use

Rebates for Local Governments

NYSERDA Rebates:

- Approximately \$250,000 still available to small municipal governments to replace inefficient appliances and equipment with energy-efficient models.
- The “Buy Green, Save Green Rebates for New York State Local Governments” program pays 75% of the purchase price of eligible ENERGY STAR® products bought on or after September 25, 2012.

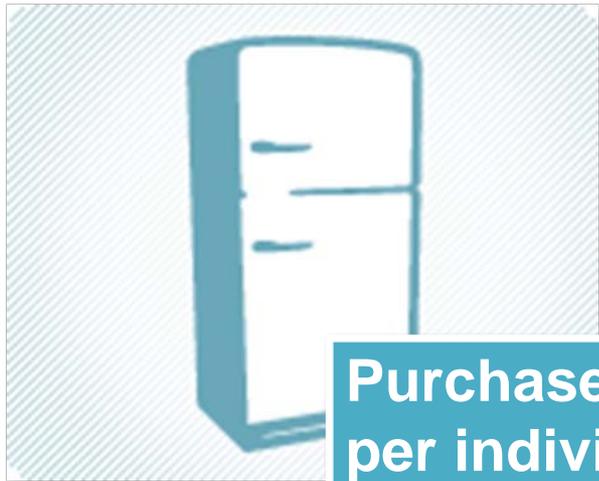

Eligibility Requirements

Who is eligible?

- Small municipal governments, i.e., counties, cities, villages, and towns, that meet all three of the following:
 - Be a New York State small municipal government that is included in the 2007 Census of Governments as a currently incorporated municipality;
 - Have a governance structure that includes an elected official and a governing body; and
 - Must **NOT** be listed on NYApplianceRebates.com as having received a direct American Recovery and Reinvestment Act (ARRA) Energy Efficiency Conservation Block Grant (EECBG) allocation of U.S. Department of Energy formula grants.

Program Funding Requirements

Purchase new ENERGY STAR equipment (or program-qualified, energy efficient advanced power strips) and receive a 75% cash rebate on the purchase price.

**Purchase price
per individual
item cannot
exceed \$4,999**

**Maximum rebate
of \$20,000 per
eligible
government**

Program Requirements

The details:

- Applicants may purchase more than one of the same equipment type (minimum quantities purchased required for some equipment).
- Program funding is available on a first-come, first-served basis until program funding is exhausted or until February 1, 2013, whichever comes first.
 - Once program funding is exhausted, rebate applications will no longer be accepted or processed.

Eligible Products

ENERGY STAR®

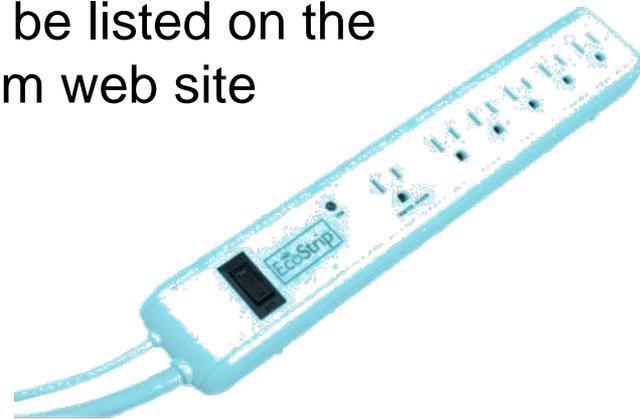

- Refrigerators
- Dehumidifiers
- Commercial dishwashers
- Room air conditioners
- Imaging equipment (including copiers and fax machines; digital duplicators; printers, scanners and all-in-one devices; and mailing machines)
- Compact fluorescent light bulbs (CFLs)*
- Light emitting diode light bulbs (LEDs)*

*Purchased in quantities of 10 or more

Eligible Products

Advanced Power Strips

- Advanced power strips in quantities of two or more will also be eligible for rebates.
 - Note: there is no ENERGY STAR designation for advanced power strips
 - eligible power strips will be listed on the nysappliancerebates.com web site

How to Apply

There are two ways to apply for your rebate:

1-877-NY-SMART

NYSApplianceRebates.com

Rebate Application Process

What steps do you need to take?

1. Purchase your qualifying equipment
 - Purchase must have been made on after September 25, 2012.
2. Submit your application at NYSApplianceRebates.com or call 1 877-NY-SMART (697-6278)
3. Once the online application is completed, scan and email your purchase receipt(s) with your rebate application number in the subject line.
 - If printing the application, attach the required purchase receipt(s), and mail the completed application and purchase receipt(s) within 14 calendar days.
