Form CA-2.2D – Demonstration of Eligibility

Attach documentation to demonstrate offset project eligibility. Each attachment must include a header that indicates it is an attachment to Form CA-2.2D and includes the offset project name and offset project ID code.

Check the boxes below to indicate that the following required documentation is attached:

- 1. Documentation of ECM Installation. (not applicable to *in-progress* projects)
- 2. HVAC Installation Best Practice. Documentation demonstrating combustion equipment and air handling equipment sized and installed according to industry best practice (only required if project includes applicable ECMs).
- 3. Building Eligibility. Documentation of eligibility, as applicable to project types included in the offset project (existing building, whole-building retrofit, new building).
- 4. Whole-Building Energy Performance. Documentation that each building included in offset project meets applicable energy performance standards (only applicable to projects that include a new building or whole-building retrofit).
- 5. Combustion Equipment Performance Standards. Documentation that combustion equipment ECMs included in offset project meet applicable minimum energy efficiency standards (only applicable to offset projects commenced prior to January 1, 2009 that include applicable ECMs).
- 6. Other ECM Performance Standards. Documentation that all non-combustion equipment ECMs included in offset project meet applicable minimum energy performance standards (only applicable to offset projects commenced prior to January 1, 2009 that include applicable ECMs).
- 7. Market Penetration Rate. Documentation that ECMs included in offset project have a market penetration rate of less than five (5) percent (only applicable to offset projects commenced on or after January 1, 2009).
