SOCIAL DISTANCING

FISH LOCAL
Stay close to home. Keep your fishing trip short. Avoid high-traffic destinations.

BE SAFE
Avoid crowds and groups. Recreate only with members of your immediate household. Keep a distance of 6 feet or more from others. When fishing from a boat, make sure it’s large enough so persons on board are at least 6 feet from one another. Wear a mask when you cannot maintain social distancing.

STAY HOME
If you’re not feeling well, stay home. Anyone 70 and older or with a compromised immune system should postpone their trip.

BE ADAPTIVE
Move quickly through parking lots and paths. If crowded, choose a different fishing location, or time to visit.
