

## Go to Three Naturally Exciting Sites On a 5-Day Summer Science Safari!

Come experience a Summer Day Camp like never before! Science comes alive at three exciting natural sites in your Lake Erie neighborhood. These sites include **Penn Dixie** (the #1 fossil park in the US), **Evangola State Park** and **Reinstein Woods Nature Preserve**, for an exciting five days of Nature Exploration.

Girls and Boys ages 8-13 can visit three unique natural sites for a fun week of activities. Dig for fossils, explore the hidden world of a pond, swim in Lake Erie, build a wilderness survival shelter, see bird mounts, explore two different nature centers and much more!

Make your arrangements now for this exciting adventure in outdoor discovery!  
For more information please call:  
**(716) 627-4560**
