Preliminary data: Data displayed on these pages are preliminary and subject to change.

For validated data, contact the Bureau of Air Quality Surveillance at (518) 402-8508 or go to EPA's Air Data webpage

DEC also provides an Air Quality Index (AQI) forecast for some pollutants that can be harmful to human health. Air Quality alerts are also available through DEC Delivers and other broadcast media. To learn more about the forecasts and sign up to be notified when daily air quality reaches a level of your choice, please see our website.
