

## Northern Montezuma Wildlife Management Area

### Boat Launch Sites

\*Boat launch sites operated by the DEC are FREE to the public, however boat launch sites operated by other agencies may charge a fee.

- 1 - Crusoe Creek Site - On Route 89 about 1.5 miles north of the Town of Savannah. Car top boat launch. Parking for 5 cars. Operated by the DEC.
- 2 - Howland's Island Site - Take Route 89 north out of the Town of Savannah about 0.4 miles. Go east on Route 274 (Savannah Spring Lake Road) about 5.5 miles, take Cancross Road to the end. Car top boat launch. Parking for 5 cars. Operated by the DEC.
- 3 - Seneca River Site - At the intersection of Route 89 and 31 in the Town of Savannah, go east on Seneca Road to Van Dyne Spoor Road. Go south on Van Dyne Spoor Road about 0.3 miles and take Railroad Road east to the end. Car top boat launch. Parking for 3 cars. Operated by the DEC.

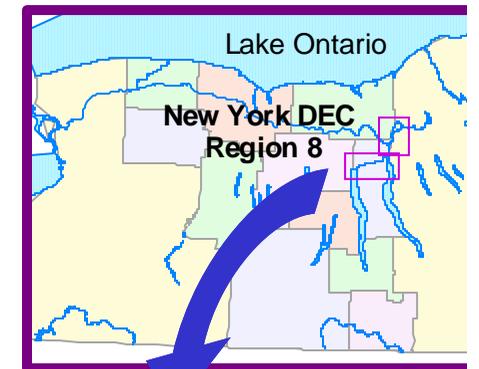

The Northern Montezuma Wildlife Management Area is the state-owned portion of the Montezuma Wetlands Complex which is located just north of Cayuga Lake. This warmwater fishery offers opportunities to catch species such as northern pike, largemouth bass, smallmouth bass, carp, and panfish such as black crappie, bluegill, pumpkinseed and bullhead.

### Special Regulations

Consult your **Freshwater Fishing Regulations Guide - Statewide Angling Regulations Section** for creel limits, size limits, seasons and other Northern Montezuma Wildlife Management Area fishing regulations.

## Public Boat Launches Seneca & Cayuga Canal Northern Montezuma Wildlife Management Area
