Public Fishing Rights Maps
Willowemoc Creek/Little Beaver Kill/Fir Brook

About Public Fishing Rights
Public Fishing Rights (PFR’s) are permanent easements purchased by the NYSDEC from willing landowners, giving anglers the right to fish and walk along the bank (usually a 33’ strip on one or both banks of the stream). This right is for the purpose of fishing only and no other purpose. Treat the land with respect to insure the continuation of this right and privilege. Fishing privileges may be available on some other private lands with permission of the land owner. Courtesy toward the land-owner and respect for their property will insure their continued use.

These generalized location maps are intended to aid anglers in finding PFR segments and are not survey quality. Width of displayed PFR may be wider than reality to make it more visible on the maps. Please look for this PFR sign to ensure that you are in the right location and have legal access to the stream bank.

For more information on this creek or if you believe PFR marked areas on these maps are incorrect or missing PFR signs, please call the Region 3 Fisheries office: (845) 256-3161.

Description of Fishery
The Willowemoc Creek is a tributary to the Beaver Kill, and shares much of the Beaver Kill’s history as the birthplace of American fly fishing. Wild brown trout are present throughout, although the proportion of wild trout tends to be higher in the more upstream parts of the system where summer temperatures remain colder. The Willowemoc Creek is stocked annually with over 18,000 brown trout. The Little Beaver Kill is stocked annually with over 2,000 brown trout. Fir Brook contains a wild brook trout population and is stocked annually with over 300 brown trout.

Note:
Special regulations apply. See Fishing Regulations Guide.

Fish Species Present
Brown Trout
Brook Trout

Location
Sullivan County
