2016 Ordering Information

See our website at: www.dec.ny.gov/animals/9395.html for species descriptions and availability, pictures and order forms.

Before ordering, consider specific space requirements for each type of tree:

<table>

<th>Trees/Acre</th>
</tr>
</thead>
<tbody>
<tr>
<td>Wildlife</td>
<td>6 x 6</td>
<td>1,210</td>

</tr>
<tr>

By Mail:
Complete the order form on our website at: www.dec.ny.gov/animals/9395.html

Send it to:
NYSDEC Tree Nursery
2369 Route 50
Saratoga Springs, NY 12866-4771

Shipping Options and Instructions

Please make shipping arrangements when you place your order. There are three options:

1. Pick up your order at the Saratoga Tree Nursery, located just south of Saratoga Springs on Route 50, approximately 30 miles north of Albany. You will be notified by mail when your order is ready.

2. Preferred method: For a fee, seedlings are shipped by designated truckers to a single location within certain counties. Customers pick up their orders at designated locations on specified dates. Orders shipped this way are given preference over option #3. Orders must be placed by March 31, 2016 for this option.

3. UPS delivery: Limited to customers who do not have the “designated trucker” option or who place orders after March 31, 2016. Fee per order: $5.00 plus 20% of the total bill or $15.00, whichever is higher. Orders placed after May 7 must be picked up at the nursery.

Mail requests are filled after January 4 in the order received. Species sell out quickly, so order early.

Shipments are sent mid-April through early May. Seedlings should be planted as soon as possible. Until planted, keep seedlings cool and out of direct sunlight. Don’t let roots dry out.

For technical advice on your planting project, contact your regional forestry office (found at www.dec.ny.gov/about/27790.html), or call the nursery office at 518-581-1439, Monday-Friday, 8 AM to 4 PM.
