Re: *Finger Lakes LPG Storage Project*

Dear Peter:

As you requested recently in a telephone conversation with Barry Moon, attached is a revised Gallery Map showing the distances from Finger Lakes Gallery 1 and Well/Cavern 29. These distances reflect the recent field work at well 29 as now surveyed in and therefore are slightly different than the last Gallery Map we submitted in April 2011 which only estimated the location of Well/Cavern 29.

Please note that the information contained in the Gallery Map contains confidential information or confidential and/or proprietary, trade secret or business information and should be treated as privileged and confidential and should not be released pursuant to the provisions of 6 NYCRR § 616.7.

If you have any questions, please do not hesitate to contact either me or Barry Moon.

Sincerely,

BOND, SCHOENECK & KING, PLLC
