- a. Acreages were provided by Fisher Associates, engineers and surveyors, from data obtained from tax mapping for the listed parcels. It is noted that in the application letters from the CIN to the BIA dated April 14 and May 25, 2005 to have the parcels placed in trust, the acreages varied from the tax map data and the total acreage was identified as 129.406 acres.
- b. Zoning information was provided by the Cayuga County Department of Planning & Development and the Seneca County Department of Economic Development & Planning.
