Source: Tax and special assessment information was provided by the Cayuga County Department of Planning & Development and the Seneca County Department of Economic Development & Planning.

For the Cayuga County parcels:

- the county/town & special district tax amounts cited above show only the typical tax bill amount for the year 2006.
- village & school tax amounts cited in the chart above may include prior years & penalties.

For the Seneca County parcels:

- town and county taxes based on 2006 tax rates; school tax based on 2005 tax rate
