

**New York State Department of Environmental Conservation
Waste Tire Stockpile Assessment Summary Sheet - Site 4-03**

**Cycletech, Inc.
City of Hudson**

Region 4, Columbia County

This is a permitted facility which is non-compliant.

Site Setup:

Five large piles and processing building on an industrial property. Approximately 2,500 whole tires are stored inside a building. Also 5 piles of tire chips are separated from each other on a level area.

Number of tires:

Total of 1,200,000 estimated tire equivalents. Material in piles is shredded or chipped.

Access to Site:

Easily accessible off main roads

Concerns:

Currently in violation of order to remove all tires/chips stored outside.

Additional:

Based on visual inspection, none of the piles currently meet DOT specification requirements for road construction purposes.
