

**New York State Department of Environmental Conservation
Waste Tire Stockpile Assessment Summary Sheet - Site 5-10**

**Fancher Site
Town of Mayfield**

Region 5, Fulton County

Site Setup:

Automobile and mobile home trailer scrap yard located on a 56 acre parcel. Site is in a very rural setting.

Number of tire piles: 1 pile & two tractor trailers

Dimensions of tire piles:

The pile contains only a few hundred tires, the rest are located in the two tractor trailers

Number of Tires: 2,000 estimated

Condition of Tires:

Most are contained in box trailers.

Access:

Locked gate. However, one of the tractor trailers is located outside the gated area. There are accessible roads throughout the site. The small pile is difficult to access as it is behind some stacked vehicles surrounded by dense brush.

Concerns: Fire

Additional Information: DLE involvement
