

**New York State Department of Environmental Conservation  
Waste Tire Stockpile Assessment Summary Sheet - Site 5-17**

**John Post Property  
Town of Galway**

**Region 5, Saratoga County**

**Site Setup:**

**Site of a tire dump behind the burned down residence. Tires are spread in a non-uniform continuous manner under trees - not one solid pile. Narrow walking path between tires. Tires stacked to mark path. Over grown brush all around. Majority of tires in woods.**

**Number of Tire Piles: Undistinguishable**

**Separation of tire piles:**

**Not enough space around tire piles.**

**Dimensions of tire piles:**

**Total length about 1000'L X 20'W X 6'H**

**Number of Tires: 30,000 estimated**

**Condition of Tires:**

**Some tires on rims. All tires appears to be above grade. Many tires filled with water.**

**Access:**

**No gate. Dirt driveway narrow at road. Overgrown brush. Tires are located behind the burned down residence.**

**Concerns: Vectors, Fire, Mosquitos.**
