

**New York State Department of Environmental Conservation
Waste Tire Stockpile Assessment Summary Sheet - Site 6-03**

Valley Recycling Town of Little Falls

Region 6, Herkimer County

Site Setup:

The site is a former junkyard where the owner was prosecuted and abandoned the property. Tires are scattered around the site in several buildings and small piles. There is one large pile with over 25,000 tires. This pile is along a creek.

Number of tires: 30,000 estimated

Condition of tires:

Many tires are dirty and have rims.

Access to Site: Most tires are in close proximity to a road or a driveway. There is not a lot of vegetation at this site yet.

Concerns: fire and vectors
