

New York State Department of Environmental Conservation
Waste Tire Stockpile Assessment Summary Sheet - Site 8-12

Troups Creek Scrapyard Town of Troupsburg

Region 8, Steuben County

Site Setup:

Site is an active vehicle scrapyard located in a rural area. A creek runs through the property, parallel to the road. The majority of tires are on the far side of the creek in two piles. The office building and shop building are on the near side.

Number of tires: 8,000 estimated

Condition of tires:

Typical junkyard condition. Most appear to be passenger tires, off the rims.

Some dirt/mud visible on a portion of them.

Site Access:

Access to the tires is by a dirt road, located a few hundred yards south of the shop, which leads to a bridge over the creek. One pile is in a brushy/wooded area; the other fairly open. A small pile of approximately 1,000 tires is adjacent to the shop on the near side of the creek.

Concerns: . Vectors and fire
