

**New York State Department of Environmental Conservation
Waste Tire Stockpile Assessment Summary Sheet - Site 9-04**

David Christian Tire Pile Town of Randolph

Region 9, Cattaraugus County

Site Setup:

**This tire pile is in a rural setting.
Overgrown with weeds and light brush.**

Number of tires: 2,000 estimated

Condition of tires:

The tires are heavily overgrown with thick brush and weeds. The surrounding area is damp.

Access to Site:

**There is an access road to the tire piles
branching from the residence driveway.
Will probably not accommodate heavy equipment**

Concerns:

Mosquitos.

Additional:

**The current owner purchased the property with the tires already there
and has been slowly removing the tires. The piles are about 250 feet
from the road.**
