

**New York State Department of Environmental Conservation
Waste Tire Stockpile Assessment Summary Sheet - Site 9-07**

**Thornton Property
Village of Bolivar**

Region 9, Allegany County

Site Setup:

This tire site is directly adjacent to a residence. It is bordered on the west by local road and a driveway for the residence on the south. The tires were dumped into a ravine and are surrounded by vegetation.

Number of tires: 150,000 estimated

Condition of tires:

Tires look to be above ground and relatively clean. Most do not have rims.

Access to Site:

**There is access via the road and driveway.
Most of the tires are surrounded by vegetation.**

Concerns:

Vectors and fire
