

**New York State Department of Environmental Conservation
Waste Tire Stockpile Assessment Summary Sheet - Site 9-13**

**Twin Village Salvage
Village of Depew**

Region 9, Erie County

Site Setup:

This site is a an operating salvage yard in an industrial setting.

Number of tires: 20,000 estimated

Condition of tires:

Some of the tires are mixed with other scrap. Many of the tires are in trailers or rollofs around the site. Many have rims and are dirty.

Access to Site:

There appears to be access to the tires via roads though large piles of scrap may need to be moved to fully access the tires.

Concerns:

Vectors and fire
