MINING TERMINATION NOTICE
Instruction Sheet

1. Enter the **ten digit** NYS Mine File Number found on the upper left hand corner of your permit (in the box labeled “facility/program number(s)”).(700-0-00-0000).
 2. Enter the name that the permit was issued to (the box labeled “permit issued to” on your permit).
 3. Enter the name of the mine (the box labeled “name and address of project/facility” on your permit).
 4. Check appropriate box.
 5. Only fill out this box if it is a **TEMPORARY** abandonment.
 6. Fill in the first date that the mine will be abandoned or terminated.
 7. Fill in the appropriate number of acres you intend to reclaim.
 8. **“Screening”** - if part of your reclamation plan is to screen, briefly describe what type of screening process you intend to use and what areas will be affected here.
“Backfilling and grading” - if part of your reclamation plan is to backfill and/or grade, briefly describe what type of backfilling and/or grading process you intend to use and what areas will be backfilled and/or graded here.
“Slope treatment” - briefly describe what type of slope treatment you intend to use here.
“Disposal of refuse or spoil” - if you have any refuse or spoil that needs to be disposed of, briefly describe how you intend to dispose of such here.
“Drainage or water control” - if you need to make provisions for drainage or water control, briefly describe what you intend to do and what areas will be affected here.
“Natural (revegetation) or artificial covering” - if natural or artificial covering is part of your reclamation plan, briefly describe what method of covering you intend to use and what areas will be affected here.
“Other site preparation” - if any other type of reclamation activity is planned and is not listed above, briefly describe what is being planned and what areas will be affected here.
- * **NOTE:** Please remember to fill in an **estimated** date of completion in the “scheduled” column on the right hand side of the reclamation activity section for **EACH** activity you intend to use during your reclamation process.
9. Briefly describe what you intend the land to be used for once reclamation is complete.
 10. Read, sign and date the mining termination notice.

If you have trouble filling out this Termination Notice, please feel free to speak to a Mined Land Reclamation Specialist in our office for further assistance.
