2	3 Try waste reduction; have people bring in items from home instead of using disposables.	4 For example: reusable plates, cups and utensils.	5	6	7 Put together a recycling team for the event.	8																																																																																				
9	10	11	12	13 Have a recycling container next to every waste container to reduce contamination.	14	15																																																																																				
16 Include waste reduction and recycling information in event brochures.	17	18	19	20	21	22 Ramadan Begins																																																																																				
23 30	24 31	25	26 Have recycling containers well labeled.	27 New York State Fair Opens	28	29
