6 NYCRR Part 360-1.15(b) addresses 16 pre-determined waste, residual or by-product materials which, when used in the manner noted in that subdivision, are not considered solid wastes (for the purposes of Part 360). In situations where a particular proposed reuse is not specifically identified in that subdivision, material generators and potential users may petition the Department for a case-specific beneficial use determination (BUD) under Part 360-1.15(d). This form has been developed to assist applicants in obtaining a case-specific BUD for the use of materials as animal bedding. Note that animal bedding produced solely from unadulterated wood, wood chips or bark from land clearing and maintenance operations, pulp and paper production, and wood products manufacturing ceases to be solid waste when placed in commerce as animal bedding, in accordance with 6 NYCRR 360-1.15(b)(3), and does not require a case-specific BUD. Uncontaminated newspaper or newsprint ceases to be solid waste when used as animal bedding pursuant to 6 NYCRR 360-1.15(b)(4).

This form is intended to address the requirements of 6 NYCRR 360-1.15(d) only and does not cover other federal, state, or local approvals that may be necessary for production or use of the proposed animal bedding material.

Petitioner Information

Full Name:

Last *First* *M.I.*

Affiliation:

Company *Title*

Primary Address:

Street Address *City/Town*

County *Zip Code*

Primary Phone: () _____ **Primary Email:** _____

Animal Bedding Material Information

Waste Information:

Type of material(s) to be used as animal bedding *Estimated Total Quantity (in tons or cubic yards)*

Animal Bedding Production Facility Information:

Producer Name *Facility Authorization (DEC registration; DEC permit; Out of State; Other-Specify)*

Production Facility Location(s) (Address, Town, County)

Details of Use:

Area of proposed market (counties) *Duration of project (up to 5 years, can be renewed)*
