Period Covered by this Grant Request **to**

Description of expense	Total Cost	Recycling Use Percent	Eligible Cost
		%	
		%	
		%	
		%	
		%	
		%	
		%	
		%	
		%	
		%	

Attach an additional chart, if necessary

Total Eligible Expenses - \$

State Aid Requested (50% of Total Eligible Expenses) - \$

Municipal Waste Reduction & Recycling Capital Project Pre-Application (continued)

Step 5: Carefully read the following information.

1. Completing a "Pre-Application" is NOT a guarantee of funding.
2. The project manager will be notified when funding becomes available for the project. At that time, a full final application must be completed in order to receive funding.
3. Failure to submit the final application with all required information will result in the project being disapproved and removed from the waiting list.
4. Upon approval by the DEC of a final application, a municipality must enter into a contract with the NYSDEC to obtain funding.
5. Applicants must incur all expenses and request State reimbursement at a 50% rate. Proof of payment is necessary to receive State reimbursement.
6. If this file is being e-mailed to DEC, it will only be considered received if a confirmation reply is received by the applicant.

Check this box if you understand the terms listed above.
Pre-applications cannot be accepted unless the box is checked.
Call 518-402-8705 if you do not understand these items.

Step 6: Submit this entire form:

E-mail the completed electronic form to dshmwrr@gw.dec.state.ny.us

If you do not receive a reply confirmation, the pre-application will not be considered received. Please re-send by regular mail or Fax

OR Send this entire paper document by US Mail to:

Recycling Grants
Division of Solid & Hazardous Materials
625 Broadway
Albany, NY 12233-7253

OR Fax this entire document to 518-402-9024

Municipal Waste Reduction & Recycling Program Pre-Application Frequently Asked Questions

What will this program fund?

Purchases of dedicated recycling or composting or waste reduction facilities and equipment, including recycling vehicles, paper balers, can crushers, plastics shredders, MRF's, wood chippers, tub grinders, screeners, reuse centers, etc. Costs of a Recycling Coordinator; direct costs for waste reduction or recycling public education/promotion/outreach are also eligible for funding. Call 518-402-8705 for the RECYCLING COORDINATION/EDUCATION application.

Who is eligible to apply?

Counties, cities, towns, villages, local public authorities or local public benefit corporations (as established by State law), school districts, supervisory districts, Native American tribes or nations residing in New York State, or any combination of the above. Private sector companies, not-for-profit corporations or State agencies are **not** eligible for this program.

What is the status of funding for the program?

Funding is appropriated in the annual State budget. DEC maintains a waiting list of projects in anticipation of monies becoming available in future budgets. Please call 518-402-8705 for a more precise funding status.

How can my community apply?

Applicants need only complete a "Pre-application" and submit the required information, as outlined on the "Pre-application." This will insert your project on the waiting list until funding becomes available.
