CONSTRUCTION & DEMOLITION DEBRIS PROCESSING FACILITY

A Construction and Demolition Debris Processing Facility is a processing facility that receives and processes construction and demolition debris for recovery, transfer or disposal. Further information and a listing of the registered and regulated construction and demolition debris processing facilities are available online at <http://www.dec.ny.gov/chemical/23686.html>.

If you operate a construction and demolition debris landfill or a land clearing debris landfill, DO NOT use this form. You must use the forms for those facilities.

If your facility is authorized to operate as a transfer station you need to submit a Transfer Station Annual Report instead of a Construction & Demolition Debris Processing Facility Annual Report. If your facility is authorized to operate as a transfer station and as a construction and demolition debris processor you must submit both annual reports.

If your facility is authorized to operate as a recyclables handling and recovery facility you must submit a Recyclables Handling and Recovery Facility Annual Report instead of a Construction & Demolition Debris Processing Facility Annual Report. If your facility is authorized to operate as a construction and demolition debris processing facility and a recyclables handling & recovery facility you must submit both annual reports.

Forms for all solid waste management facilities and a brief description of each can be found at <http://www.dec.ny.gov/chemical/52706.html>.

Annual Report

Submit the Annual Report no later than March 5, 2012.

Reporting of the information indicated on this Construction & Demolition Debris Processing Facility Annual Report form is required pursuant to 6 NYCRR 360-1.4(c); 360-1.8(e)(1)(ii), (h)(8); 360-1.14(e)(2), (i)(1); 360-16.4(i). Failure to provide the required information requested is a violation of Environmental Conservation Law. Timely submission of a properly completed form to the Department's Regional Office that has jurisdiction over your facility and to the Department's Central Office is required to meet the Annual/Quarterly Report requirements of 6 NYCRR Part 360.

Where the Annual Report requirements have been modified, appropriate Sections (as necessary to reflect the modification) must be completed and submitted with a copy of the Department's written notification which allows the modification.

Entries on the report forms should be either typewritten or neatly printed in black ink. Attach additional sheets if space on the pages is insufficient or supplementary information is required or appropriate.
