Coletta Recycling	Queens	20000
Brown's Auto Salvage	Orange	13000
Sunshine Mountain	Ulster	2000
Mor Ton Recycling	Sullivan	4000
U Save Tire Corp.	Clinton	200000
Hart's Parts	Herkimer	3500
Hoke Tire	Oneida	6000
Kubis Auto Parts	Cayuga	23000
Peter Winkleman Property	Onondaga	7000

Tires shown in "yellow" indicate stockpiles that are located within a Potential Environmental Justice area. Potential EJ areas were determined through a GIS analysis using the department's "Environmental Justice Screening Wizard." This tool uses 2000 census data to locate potential environmental justice areas in New York State. Once the areas were determined, the waste tire stockpile data was overlaid. If a stockpile was found within an EJ area, it was flagged.
