

QUESTIONNAIRE ON PROPOSED RESIDUE REMOVAL RULEMAKING IMPACTS

Obtaining input from you, as part of the regulated community, is important to this rulemaking process. To help us understand the composition of the regulated community, in regard to this rulemaking, and potential impacts anticipated from it, we ask for your feedback in response to the questions below as well as any comments you may have on the rulemaking summary.

Name _____ Affiliation _____

Address _____

Attach pages, if more space needed. If you represent an umbrella organization, please start with #2.

1. Please check all which describe your pesticide business:

- Pesticide Product Registrant Directly Employing a Refiller
- Pesticide Product Registrant With a Refiller Under Contract
- Pesticide Product Registrant Without a Refiller or Refilling Operation
- Pesticide Product Producer
- Pesticide Product Refiller
- Commercial Pesticide User (does not include homeowner use)
- Small Pesticide Business (independently owned, wholly within New York State, 100 or fewer employees)
- Located in a Rural Area (county with population of less than 200,000)

2. What types of costs (capital, noncapital, consulting services, special technology) would be anticipated for your business to implement the requirements in the proposed rulemaking? What would be the estimated initial and annual costs of complying?

3. Would any jobs or employment opportunities at your business be affected by the proposed rulemaking? If so, what types and numbers of jobs? What would be the associated costs? Would there be a measurable impact on opportunities for self-employment?

4. **How would your business record keeping or reporting requirements be increased or decreased by the proposed rulemaking? What estimated costs would be associated?**

5. **What special technology, if any, would be needed by your business to comply with the proposed rulemaking, which would otherwise not have been needed?**

6. **Please provide any other comments you have regarding this proposed rulemaking (attach pages, as needed):**

PLEASE SEND YOUR INPUT TO NYSDEC

★ **By July 30, 2007, please mail, e-mail, or fax your completed questionnaire to:**
