January 16, 2002

Monica Abreu Conley, Esq.
Environmental Justice Coordinator
Office of Environmental Justice
NYSDEC
625 Broadway
Albany, NY 12233-1500

Dear Ms. Conley:

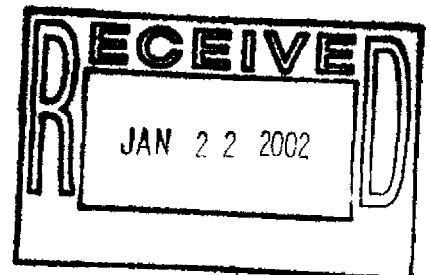

We were pleased to download and review a copy of "**Recommendations for the NYSDEC Environmental Justice Program**". We have followed this program with great interest and look forward to attending the public meeting again at Henry Johnson Boulevard on January 30th.

As you know, Environmental Justice is a major concern in our efforts to assure that PCBs are removed from the Hudson River.

With kind regards,

Joe Gardner, Conservation Chair
Mohawk Hudson Chapter
