

SKI TIPS

FOR POLLUTION PREVENTION

- Carpool to reduce traffic and save energy.
- Observe trail closures and boundaries to protect fragile alpine plants and wildlife.
- Support ski area clean up days and other environmental programs.

**Recycle! Never throw trash
from ski lifts and don't leave it
in the parking lots.**

Visit www.skiandrideny.com for more information on the Environmental Code of the Slopes and a chance to win free lift tickets.
