STATE OF NEW YORK
DEPARTMENT OF ENVIRONMENTAL CONSERVATION

In the Matter of Violations
of Environmental Conservation Law,
Article 19

Order on Consent
File No. R4-2014-0507-113

-by-

Ruby Lake Glass, LLC
PO Box 611
Richfield Springs, NY 13439

Respondent

WHEREAS:

Jurisdiction

1. New York State Department of Environmental Conservation ("Department") has administrative jurisdiction to safeguard the air resources of the state pursuant to ECL Article 19.

Facts

2. Respondent, Ruby Lake Glass, LLC, is a commercial manufacturer of recycled glass aggregate located at 10 Erie Blvd, Albany, N.Y. 12207 ("facility").
3. Respondent is a "person" as defined at 6 NYCRR 200.1(bi).
4. Respondent, Ruby Lake Glass, LLC, utilizes a cyclone to collect, recycle and salvage fine particulate glass. This collected glass particulate is to be contained in a sack located at the bottom cyclone.
5. On April 22, 2014, Department staff inspected the facility.

First Violation

6. Regulations at 6 NYCRR 201-1.2 (a) provide that "*except as otherwise provided by this Part, construction or operation of a new, modified or existing air contamination source without a registration or permit issued pursuant to this Part is prohibited.*"
7. At the time of the inspection, Respondent was operating the cyclone without a permit.

8. Respondent violated regulations at 6 NYCRR 201-1.2 (a) by operating an air pollution control device without obtaining a permit.

Second Violation

9. Regulations at 6 NYCRR 201-1.8 provide that “*no person shall unnecessarily remove, handle, or cause to be handled, collected air contaminants from an air cleaning device for recycling, salvage or disposal in a manner that would reintroduce them to the outdoor atmosphere.*”

10. At the time of the inspection, Department staff observed that the ground surrounding the cyclone showed evidence of reintroduction of particulate into the atmosphere.

11. Respondent violated regulations at 6 NYCRR 201-1.2(a) by reintroduction of collected air contaminants from the control device to the atmosphere.

Civil Penalty

12. ECL Section 71-2103(1) provides that: ...” any person who violates any provision of article nineteen or any code, rule or regulation which was promulgated pursuant thereto;... shall be liable, in the case of a first violation, for a penalty not less than three hundred seventy-five dollars nor more than fifteen thousand dollars for said violation and an additional penalty of not to exceed fifteen thousand dollars for each day during which such violation continues. In addition thereto, such person may be enjoined from continuing such violation as hereinafter provided.”

Waiver of Hearing

13. Respondent has affirmatively waived his right to notice and hearing in the manner provided by law, and have consented to the issuing and entering of this Order and agrees to be bound by the terms, provisions and conditions contained herein.

NOW, having considered this matter and being duly advised, it is **ORDERED** that:

I. In respect of the aforesaid violations, a civil penalty in the amount of ONE THOUSAND ONE HUNDRED SIXTY DOLLARS (\$1,160) is assessed against the Respondent for the above violations. The penalty is due with the return of the signed and notarized Order made payable to the Department of Environmental Conservation by bank check.

II. Pursuant to ECL Section 71-0301, the Commissioner specifically reserves the right to exercise summary abatement authority.

III. This Order is binding upon the Respondent, its agents, employees, successors, assigns and to all persons and firms, and corporations acting subordinate thereto.

IV. No change or modification to this Order shall be made or be effective except as may be specifically set forth in writing by the Commissioner or Regional Director. Such application shall be made to the Regional Director.

V. For the purpose of insuring compliance with this Order, duly authorized representatives of this Department shall be permitted access to the site in question in order to inspect and/or require such tests as may be deemed necessary to determine the status of Respondent's compliance herewith.

VI. The effective date of this Order shall be the date upon which it is signed on behalf of the Department.

VII. Respondent shall indemnify and hold the Department, the State of New York, and their representatives and employees harmless for all claims, suits, actions, damages and costs of every name and description arising out of or resulting from the fulfillment or attempted fulfillment of the provisions hereof by Respondent its employees, its servants, its agents, its successors or its assigns.

VIII. Except as specifically provided in this Order, nothing contained in this Order shall be construed as barring, diminishing, adjudicating or in any way affecting:

A. Any legal or equitable rights or claims, actions, proceedings, suits, causes of action or demands whatsoever that the State may have against Respondent for any other violations of the ECL, rules or regulations promulgated thereunder or permits issued thereunder;

B. Any legal or equitable rights or claims, actions, proceedings, suits, causes of action or demands whatsoever that the State may have against anyone other than Respondent, its agents, its servants, its employees, its successors and its assigns;

C. Whatever right the Department has to bring any action or proceeding against Respondent and/or any of Respondent's employees, servants, agents, successors, and assigns with respect to claims for natural resource damages; and

D. Respondent's right to assert all available defenses to any claims, actions, proceedings, suits, causes of actions or demands made or commenced by the State or the Department provided, however, that Respondent waives all legal or equitable rights claims, actions, proceedings, appeals, suits, causes of action, defenses or demands whatsoever that it may have to a judicial review of the validity and binding effect of this Order and whether or not this Order has been entered into voluntarily by Respondent.

IX. Compliance with the terms and conditions of this Order shall be in full civil settlement of the violations alleged in this Order.

X. Whenever the Department's approval of a submittal under the terms of this Order is required, the Department shall review such submittal to determine whether it was prepared, and whether the work done to generate the data and other information in the submittal was done,

in accordance with this Order and applicable state and federal regulations and laws and generally accepted technical and scientific principles. The Department shall notify Respondent in writing of its approval or disapproval of the submittal. All Department-approved submittals shall be incorporated into and become an enforceable part of this Order.

(1) If the Department disapproves a submittal, its notice shall specify the reasons for disapproval. Respondent shall make a revised submittal to the Department within twenty (20) days after receiving written notice of disapproval that specifically addresses all of the Department's stated reasons for disapproving the first submittal.

(2) After receipt of the revised submittal from Respondent, the Department shall notify Respondent in writing of its approval or disapproval. If the Department approves the revised submittal, it shall be incorporated into and become an enforceable part of this Order. If the Department disapproves the revised submittal, it shall notify the Respondent in writing and specify its reasons. This shall be considered a violation of the Order. The Respondent reserves its right to contest the alleged violation.

XI. If more than one Respondent is a signatory to this Order, use of the term "Respondent" in this Order shall be deemed to refer to each Respondent identified in the Order.
