The **New York State Department of Environmental Conservation** has negotiated the following, applicable MBE/WBE fair share objectives/goals with EPA as follows:

Construction - Minority Business Enterprise (MBE) Participation Goals:

New York City	17%
Downstate *	10%
Upstate	9%

Construction - Women Business Enterprise (WBE) Participation Goals:

New York City	8%
Downstate *	6%
Upstate	5%

Non-Construction Minority and Women Business Enterprise (MBE/WBE) Participation Goals:

Combined MBE/WBE statewide	10%
----------------------------	-----

* The counties included in the downstate area are as follows: Dutchess, Nassau, Orange, Putnam, Rockland, Suffolk, Sullivan, Ulster, and Westchester.

Negotiating Fair Share Objectives/Goals, 40 CFR, Section 33.404

If the recipient has not yet negotiated its MBE/WBE fair share objectives/goals, the recipient agrees to submit proposed MBE/WBE objectives/goals based on an availability analysis, or disparity study, of qualified MBEs and WBEs in their relevant geographic buying market for construction, services, supplies and equipment.

The recipient agrees to submit proposed fair share objectives/goals, together with the supporting availability analysis or disparity study, to the Regional MBE/WBE Coordinator within 120 days of its acceptance of the financial assistance award. EPA will respond to the

proposed fair share objective/goals within 30 days of receiving the submission. If proposed fair share objective/goals are not received within the 120 day time frame, the recipient may not expend its EPA funds for procurements until the proposed fair share objective/goals are submitted.

SIX GOOD FAITH EFFORTS, 40 CFR, Part 33, Subpart C

Pursuant to 40 CFR, Section 33.301, the recipient agrees to make the following good faith efforts whenever procuring construction, equipment, services and supplies under an EPA financial assistance agreement, and to ensure that sub-recipients, loan recipients, and prime contractors also comply. Records documenting compliance with the six good faith efforts shall be retained:

- (a) Ensure Disadvantaged Business Enterprises (DBE) are made aware of contracting opportunities to the fullest extent practicable through outreach and recruitment activities. For Indian Tribal, State and Local and Government recipients, this will include placing DBEs on solicitation lists and soliciting them whenever they are potential sources.
- (b) Make information on forthcoming opportunities available to DBEs and arrange time frames for contracts and establish delivery schedules, where the requirements permit, in a way that encourages and facilitates participation by DBEs in the competitive process. This includes, whenever possible, posting solicitations for bids or proposals for a minimum of 30 calendar days before the bid or proposal closing date.
- (c) Consider in the contracting process whether firms competing for large contracts could subcontract with DBEs. For Indian Tribal, State and local Government recipients, this will include dividing total requirements when economically feasible into smaller tasks or quantities to permit maximum participation by DBEs in the competitive process.
- (d) Encourage contracting with a consortium of DBEs when a contract is too large for one of these firms to handle individually.
- (e) Use the services and assistance of the SBA and the Minority Business Development Agency of the Department of Commerce.
- (f) If the prime contractor awards subcontracts, require the prime contractor to take the steps in paragraphs (a) through (e) of this section.

MBE/WBE REPORTING, 40 CFR, Part 33, Sections 33.502 and 55.503

The recipient agrees to complete and submit EPA Form 5700-52A, "MBE/WBE Utilization Under Federal Grants, Cooperative Agreements and Interagency Agreements" beginning with the Federal fiscal year reporting period the recipient receives the award, and continuing until the project is completed. Only procurements with certified MBE/WBEs are counted toward a recipient's MBE/WBE accomplishments.

The reports must be submitted **annually** for the period ending September 30th for:

- 40 CFR Part 30 Recipients (Non-profits and Institutions of Higher Education); and/or
- 40 CFR Part 35 Subpart A and Subpart B Recipients.

19. INDIRECT COSTS

If the recipient's negotiated rate does not extend through the life of the Assistance Agreement, additional indirect cost rate proposal(s) must be submitted until the full life of the Assistance Agreement is covered by negotiated indirect cost rates. Programmatic Conditions

1. PERFORMANCE REPORTING AND FINAL PERFORMANCE REPORT

Recipients subject to 40 CFR Part 31 (other than recipients of State or Tribal Program grants under 40 CFR Parts 35 Subparts A or B)

Performance Reports:

The recipient shall submit, to the EPA Project Officer **semi-annual** performance reports (preferably electronic copies), due **March 31 and September 30** for the duration of the agreement. In accordance with 40 CFR §31.40(b) , the recipient agrees to include in performance reports submitted under this agreement brief information on each of the following areas:

- 1) a comparison of actual accomplishments with the anticipated outputs/outcomes specified in the assistance agreement work plan;
- 2) reasons why anticipated outputs/outcomes were not met;
- 3) other pertinent information, including, when appropriate, analysis and explanation of cost overruns or high unit costs.

In accordance with 40 CFR §31.40(d), the recipient agrees that it will notify EPA of problems, delays, or adverse conditions which materially impair the ability to meet the outputs/outcomes specified in the assistance agreement work plan.

Final Performance Report:

The recipient agrees to submit two copies of the Final Performance Report to the EPA Project Officer. The Final Project Report is due within 90 days after the end of the budget/project period. The report will include any agreed-upon work-product(s) resulting from the project and the following:

- 1) an abstract or overview of the project including completed workplan activities;
- 2) a comparison of actual accomplishments with the anticipated outputs/outcomes specified in the assistance agreement work plan;
- 3) reasons why anticipated outputs/outcomes were not met;
- 4) other pertinent information, including, when appropriate, analysis and explanation of cost overruns or high unit costs.
- 5) the methods to be used to effectively disseminate project information and/or continue the benefits of this project (although the project itself may not be continuing);
- 6) materials generated in connection with project activities (e.g., workshop announcements, newspaper/newsletter announcements, articles or releases, press

packets, pamphlets, etc.).

2. EPA DISCLAIMER

The following disclaimer must accompany all work products disseminated, since they were not developed by EPA and may not represent the views of the Agency:

Although the information in this document has been funded wholly or in part by the United States Environmental Protection Agency under assistance agreement **NP-96287313** to the **New York State Department of Environmental Conservation**, it has not gone through the Agency's publications review process and, therefore, may not necessarily reflect the views of the Agency and no official endorsement should be inferred.

3. FOOD AND REFRESHMENTS

Unless the event(s) and all of its components (i.e., receptions, banquets and other activities that take place after normal business hours) are described in the approved workplan, the recipient agrees to obtain prior approval from EPA for the use of grant funds for light refreshments and/or meals served at meetings, conferences, training workshops, and outreach activities (events). The recipient must send requests for approval to the EPA Project Officer and include:

- (1) An estimated budget and description for the light refreshments, meals, and/or beverages to be served at the event(s);
- (2) A description of the purpose, agenda, location, length and timing for the event.
- (3) An estimated number of participants in the event and a description of their roles.

Recipients may address questions about whether costs for light refreshments, and meals for events are allowable to the recipient's EPA Project Officer. However, the Agency Award Official or Grant Management Officer will make final determinations on allowability. Agency policy prohibits the use of EPA funds for receptions, banquets and similar activities that take place after normal business hours unless the recipient has provided a justification that has been expressly approved by EPA's Award Official or Grants Management Officer.

Note: U.S. General Services Administration regulations define light refreshments for morning, afternoon or evening breaks to include, but not be limited to, coffee, tea, milk, juice, soft drinks, donuts, bagels, fruit, pretzels, cookies, chips, or muffins. (41 CFR 301-74.11)

4. USE OF LOGOS

If the EPA logo is appearing, along with logos from other participating entities, on outreach materials and reports, it should **not** be prominently displayed to imply that any of the Grantee's or Sub-Grantee's activities are being conducted by the EPA. Instead, the EPA logo should be accompanied with a statement indicating that the New York State Department of Environmental Conservation received financial support from the EPA under a Grant Agreement.

5. QUALITY ASSURANCE PROJECT PLAN

Grantees implementing environmental projects that include: 1) direct measurement, sampling or observation activities, 2) environmental modeling, 3) use of existing data, 4) use of survey

results, or 5) calculation of environmental outcomes must prepare and implement a Quality Assurance Project Plan (QAPP). The grantee shall submit to the EPA Project Officer (PO) an approvable QAPP within 45 days of receipt of this agreement. The PO will review the QAPP to insure that it meets programmatic needs, is consistent with the approved workplan and includes all of the required QAPP elements. Once approved by the EPA PO, the QAPP is forwarded to the EPA QA staff for review and approval. No data collection/use activities may occur until the QAPP has been reviewed and approved by EPA.

6. SUFFICIENT PROGRESS

EPA may terminate the assistance agreement for failure of the recipient to make sufficient progress so as to reasonably ensure completion of the project within the project period, including any extensions. EPA will measure sufficient progress by examining the performance required under the workplan in conjunction with the milestone schedule, the time remaining for performance within the project period, and/or the availability of funds necessary to complete the project.

7. ELECTRONIC AND INFORMATION TECHNOLOGY ACCESSIBILITY

Recipients and subrecipients are subject to the program accessibility provisions of Section 504 of the Rehabilitation Act, codified in 40 CFR Part 7, which includes an obligation to provide individuals with disabilities reasonable accommodations and an equal and effective opportunity to benefit from or participate in a program, including those offered through electronic and information technology ("EIT"). In compliance with Section 504, EIT systems or products funded by this award must be designed to meet the diverse needs of users (e.g., U.S. public, recipient personnel) without barriers or diminished function or quality. Systems shall include usability features or functions that accommodate the needs of persons with disabilities, including those who use assistive technology. At this time, the EPA will consider a recipient's websites, interactive tools, and other EIT as being in compliance with Section 504 if such technologies meet standards established under Section 508 of the Rehabilitation Act, codified at 36 CFR Part 1194. While Section 508 does not apply directly to grant recipients, we encourage recipients to follow either the 508 guidelines or other comparable guidelines that concern accessibility to EIT for individuals with disabilities. Recipients may wish to consult the latest Section 508 guidelines issued by the US Access Board or W3C's Web Content Accessibility Guidelines (WCAG) 2.0(see <http://www.access-board.gov/sec508/guide/index.htm>).
