

New York State Department of Environmental Conservation Division of Environmental Remediation

Remedial Programs

STATE SUPERFUND

Inactive Hazardous Waste Disposal Site Remedial Program.

Cleanup program for inactive hazardous waste disposal sites and now includes hazardous substance waste disposal sites.

BROWNFIELDS

Brownfield Cleanup Program (BCP)

This newly legislated cleanup program is modeled after, and is replacing, the **Voluntary Cleanup Program.**

Environmental Restoration Program (ERP)

Cleanup grant program under the 1996 Clean Water/Clean Air Bond Act for municipally-owned sites. This program was formerly called the **Brownfields Program.**

Brownfield Opportunity Area (BOA) Program

This program provides grants to not-for-profit community-based organizations and municipalities for pre-nomination, nomination and assessment of Brownfield Opportunity Areas.

SPILL RESPONSE

Petroleum Spill Response Program

Hazardous Waste Emergency Response Program
