ENVIRONMENTAL EASEMENT GRANTED PURSUANT TO ARTICLE 71, TITLE 36
OF THE NEW YORK STATE ENVIRONMENTAL CONSERVATION LAW

THIS INDENTURE made this 5th day of December, 2011, between
Owner(s) Via Verde Housing Development Fund Corporation [Fee Owner—Rental Unit,
Community Facility Unit and Commercial Unit] and Via Verde Homes Housing Development
Fund Corporation [Fee Owner—Coop Unit], having an office at 902 Broadway, 13th Floor, New
York, New York 10010; Via Verde Homes LLC [Beneficial Interest—Coop Unit]; Via Verde
Rental Associates, L.P. [Beneficial Interest - Rental Unit, Community Facility Unit and
Commercial Unit] (collectively the "Grantor"), and The People of the State of New York (the
"Grantee.") , acting through their Commissioner of the Department of Environmental Conservation
(the "Commissioner", or "NYSDEC" or "Department" as the context requires) with its
headquarters located at 625 Broadway, Albany, New York 12233.

WHEREAS, the Legislature of the State of New York has declared that it is in the public
interest to encourage the remediation of abandoned and likely contaminated properties ("sites")
that threaten the health and vitality of the communities they burden while at the same time
eNSuring the protection of public health and the environment; and

WHEREAS, the Legislature of the State of New York has declared that it is in the public
interest to establish within the Department a statutory environmental remediation program that
includes the use of Environmental Easements as an enforceable means of ensuring the
performance of operation, maintenance, and/or monitoring requirements and the restriction of
future uses of the land, when an environmental remediation project leaves residual contamination
at levels that have been determined to be safe for a specific use, but not all uses, or which includes
eNgineered structures that must be maintained or protected against damage to perform properly
and be effective, or which requires groundwater use or soil management restrictions; and

WHEREAS, the Legislature of the State of New York has declared that Environmental
Easement shall mean an interest in real property, created under and subject to the provisions of
Article 71, Title 36 of the New York State Environmental Conservation Law ("ECL") which
contains a use restriction and/or a prohibition on the use of land in a manner inconsistent with
engineering controls which are intended to ensure the long term effectiveness of a site remedial
program or eliminate potential exposure pathways to hazardous waste or petroleum; and

WHEREAS, Grantor, is the owner of real property located at the address of 700 Brook
Avenue in the City of New York, Borough of the Bronx, Bronx County and State of New York,
known and designated on the tax map of the City Register of the City of New York as tax map
parcel numbers: Block 2359 Lot(s) 1001, 1002, 1003, 1004 lot/a Lot 51 being the same as that
property conveyed to Grantor as to the Rental Unit, Community Facility Unit and Commercial
Unit by confirmatory deed(s) dated December 30, 2009 and recorded on January 8, 2010 in the
Office of the City Register of the City of New York in City Register File No. (CRFN):
2010000007481 and by deed(s) dated December 30, 2009 and recorded on January 8, 2010 in City
Register File Number(s) CRFN No(s): 2010000007480 and 2010000007479; as to the Coop Unit
by deed dated March 4, 2010 and recorded on March 18, 2010 in City Register File No. (CRFN):
20100000093476. The property subject to this Environmental Easement (the "Controlled
Property") comprises approximately 1.41 +/- acres, and is hereinafter more fully described in the
Land Title Survey dated May 11, 2011, revised November 22, 2011 and signed November 23,

[6/11]
2011 prepared by Montrose Surveying Co., LLP. City and Land Surveyors, which will be attached to the Site Management Plan. The Controlled Property description and survey is set forth in and attached hereto as Schedule A; and

WHEREAS, the Department accepts this Environmental Easement in order to ensure the protection of public health and the environment and to achieve the requirements for remediation established for the Controlled Property until such time as this Environmental Easement is extinguished pursuant to ECL Article 71, Title 36; and

NOW THEREFORE, in consideration of the mutual covenants contained herein and the terms and conditions of Brownfield Cleanup Agreement Index Number: W2-1129-08-11, Grantor conveys to Grantee a permanent Environmental Easement pursuant to ECL Article 71, Title 36 in, on, over, under, and upon the Controlled Property as more fully described herein ("Environmental Easement")

1. Purposes. Grantor and Grantee acknowledge that the Purposes of this Environmental Easement are: to convey to Grantee real property rights and interests that will run with the land in perpetuity in order to provide an effective and enforceable means of encouraging the reuse and redevelopment of this Controlled Property at a level that has been determined to be safe for a specific use while ensuring the performance of operation, maintenance, and/or monitoring requirements; and to ensure the restriction of future uses of the land that are inconsistent with the above-stated purpose.

2. Institutional and Engineering Controls. The controls and requirements listed in the Department approved Site Management Plan ("SMP") including any and all Department approved amendments to the SMP are incorporated into and made part of this Environmental Easement. These controls and requirements apply to the use of the Controlled Property, run with the land, are binding on the Grantor and the Grantor's successors and assigns, and are enforceable in law or equity against any owner of the Controlled Property, any lessees and any person using the Controlled Property.

A. (1) The Controlled Property may be used for:

   Restricted Residential as described in 6 NYCRR Part 375-1.8(g)(2)(ii), Commercial as described in 6 NYCRR Part 375-1.8(g)(2)(iii) and Industrial as described in 6 NYCRR Part 375-1.8(g)(2)(iv)

   (2) All Engineering Controls must be operated and maintained as specified in the Site Management Plan (SMP);

   (3) All Engineering Controls must be inspected at a frequency and in a manner defined in the SMP.

   (4) Groundwater and other environmental or public health monitoring must be performed as defined in the SMP;

   (5) Data and information pertinent to Site Management of the Controlled Property must be reported at the frequency and in a manner defined in the SMP;

[6/11]
(6) All future activities on the property that will disturb remaining contaminated material must be conducted in accordance with the SMP;

(7) Monitoring to assess the performance and effectiveness of the remedy must be performed as defined in the SMP.

(8) Operation, maintenance, monitoring, inspection, and reporting of any mechanical or physical components of the remedy shall be performed as defined in the SMP.

(9) Access to the site must be provided to agents, employees or other representatives of the State of New York with reasonable prior notice to the property owner to assure compliance with the restrictions identified by this Environmental Easement.

B. The Controlled Property shall not be used for Residential purposes as defined in 6NYCRR 375-1.8(g)(2)(i), and the above-stated engineering controls may not be discontinued without an amendment or extinguishment of this Environmental Easement.

C. The SMP describes obligations that the Grantor assumes on behalf of Grantor, its successors and assigns. The Grantor's assumption of the obligations contained in the SMP which may include sampling, monitoring, and/or operating a treatment system, and providing certified reports to the NYSDEC, is and remains a fundamental element of the Department's determination that the Controlled Property is safe for a specific use, but not all uses. The SMP may be modified in accordance with the Department's statutory and regulatory authority. The Grantor and all successors and assigns, assume the burden of complying with the SMP and obtaining an up-to-date version of the SMP from:

Site Control Section
Division of Environmental Remediation
NYSDEC
625 Broadway
Albany, New York 12233
Phone: (518) 402-9553

D. Grantor must provide all persons who acquire any interest in the Controlled Property a true and complete copy of the SMP that the Department approves for the Controlled Property and all Department-approved amendments to that SMP.

E. Grantor covenants and agrees that until such time as the Environmental Easement is extinguished in accordance with the requirements of ECL Article 71, Title 36 of the ECL, the property deed and all subsequent instruments of conveyance relating to the Controlled Property shall state in at least fifteen-point bold-faced type:

This property is subject to an Environmental Easement held by the New York State Department of Environmental Conservation pursuant to Title 36 of Article 71 of the Environmental Conservation Law.
F. Grantor covenants and agrees that this Environmental Easement shall be incorporated in full or by reference in any leases, licenses, or other instruments granting a right to use the Controlled Property.

G. Grantor covenants and agrees that it shall annually, or such time as NYSDEC may allow, submit to NYSDEC a written statement by an expert the NYSDEC may find acceptable certifying under penalty of perjury, in such form and manner as the Department may require, that:
   (1) the inspection of the site to confirm the effectiveness of the institutional and engineering controls required by the remedial program was performed under the direction of the individual set forth at 6 NYCRR Part 375-1.8(h)(3).
   (2) the institutional controls and/or engineering controls employed at such site:
      (i) are in-place;
      (ii) are unchanged from the previous certification, or that any identified changes to the controls employed were approved by the NYSDEC and that all controls are in the Department-approved format; and
      (iii) that nothing has occurred that would impair the ability of such control to protect the public health and environment;
   (3) the owner will continue to allow access to such real property to evaluate the continued maintenance of such controls;
   (4) nothing has occurred that would constitute a violation or failure to comply with any site management plan for such controls;
   (5) the report and all attachments were prepared under the direction of, and reviewed by, the party making the certification;
   (6) to the best of his/her knowledge and belief, the work and conclusions described in this certification are in accordance with the requirements of the site remedial program, and generally accepted engineering practices; and
   (7) the information presented is accurate and complete.

3. Right to Enter and Inspect. Grantee, its agents, employees, or other representatives of the State may enter and inspect the Controlled Property in a reasonable manner and at reasonable times to assure compliance with the above-stated restrictions.

4. Reserved Grantor's Rights. Grantor reserves for itself, its assigns, representatives, and successors in interest with respect to the Property, all rights as fee owner of the Property, including:

   A. Use of the Controlled Property for all purposes not inconsistent with, or limited by the terms of this Environmental Easement;

   B. The right to give, sell, assign, or otherwise transfer part or all of the underlying fee interest to the Controlled Property, subject and subordinate to this Environmental Easement;

5. Enforcement

   A. This Environmental Easement is enforceable in law or equity in perpetuity by Grantor, Grantee, or any affected local government, as defined in ECL Section 71-3603, against the owner of the Property, any lessees, and any person using the land. Enforcement shall not be defeated because of any subsequent adverse possession, laches, estoppel, or waiver. It is not a [6/11]
defense in any action to enforce this Environmental Easement that: it is not appurtenant to an interest in real property; it is not of a character that has been recognized traditionally at common law; it imposes a negative burden; it imposes affirmative obligations upon the owner of any interest in the burdened property; the benefit does not touch or concern real property; there is no privity of estate or of contract; or it imposes an unreasonable restraint on alienation.

B. If any person violates this Environmental Easement, the Grantee may revoke the Certificate of Completion with respect to the Controlled Property.

C. Grantee shall notify Grantor of a breach or suspected breach of any of the terms of this Environmental Easement. Such notice shall set forth how Grantor can cure such breach or suspected breach and give Grantor a reasonable amount of time from the date of receipt of notice in which to cure. At the expiration of such period of time to cure, or any extensions granted by Grantee, the Grantee shall notify Grantor of any failure to adequately cure the breach or suspected breach, and Grantee may take any other appropriate action reasonably necessary to remedy any breach of this Environmental Easement, including the commencement of any proceedings in accordance with applicable law.

D. The failure of Grantee to enforce any of the terms contained herein shall not be deemed a waiver of any such term nor bar any enforcement rights.

6. Notice. Whenever notice to the Grantee (other than the annual certification) or approval from the Grantee is required, the Party providing such notice or seeking such approval shall identify the Controlled Property by referencing the following information:

County, NYSDEC Site Number, NYSDEC Brownfield Cleanup Agreement, State Assistance Contract or Order Number, and the County tax map number or the Liber and Page or computerized system identification number.

Parties shall address correspondence to: Site Number: C203043 Office of General Counsel NYSDEC 625 Broadway Albany New York 12233-5500

With a copy to: Site Control Section Division of Environmental Remediation NYSDEC 625 Broadway Albany, NY 12233

All notices and correspondence shall be delivered by hand, by registered mail or by Certified mail and return receipt requested. The Parties may provide for other means of receiving and communicating notices and responses to requests for approval.

7. Recordation. Grantor shall record this instrument, within thirty (30) days of execution of this instrument by the Commissioner or her/his authorized representative in the office of the recording officer for the county or counties where the Property is situated in the manner prescribed by Article 9 of the Real Property Law.
8. **Amendment.** Any amendment to this Environmental Easement may only be executed by the Commissioner of the New York State Department of Environmental Conservation or the Commissioner's Designee, and filed with the office of the recording officer for the county or counties where the Property is situated in the manner prescribed by Article 9 of the Real Property Law.

9. **Extinguishment.** This Environmental Easement may be extinguished only by a release by the Commissioner of the New York State Department of Environmental Conservation, or the Commissioner's Designee, and filed with the office of the recording officer for the county or counties where the Property is situated in the manner prescribed by Article 9 of the Real Property Law.

10. **Joint Obligation.** If there are two or more parties identified as Grantor herein, the obligations imposed by this instrument upon them shall be joint and several.

**IN WITNESS WHEREOF,** Grantor has caused this instrument to be signed in its name.

SCHEDULE "A" PROPERTY DESCRIPTION

Property Address: 700 Brook Avenue, Bronx, NY
Tax Map: Block 2359 Lot(s) 1001,1002,1003 & 1004 [Base Lot 51]

Environmental Easement Description
BCA# W2-1129-08-11, BCP# C203043
MSC Survey No. 62510-27

The Condominium Units (hereinafter referred to as the "Units") known as (SEE RIDER BELOW) in the building (hereinafter referred to as the "Building") known as VIA VERDE CONDOMINIUM and by the street number 700 Brook Avenue, Bronx, New York, said Units being designated and described in a certain Declaration dated January 20, 2010 made by VIA VERDE HOUSING DEVELOPMENT FUND CORPORATION pursuant to Article 9-B of the Real Property Law of the State of New York establishing a plan for condominium ownership of the Building and the land (hereinafter referred to as the "Land") upon which the Building is situated (which land is more particularly described below), which Declaration was recorded in the Bronx County Office of the Register of The City of New York (the "City Register's Office") on February 25, 2010 in CRFN 2010000065348 (which Declaration is hereinafter referred to as the "Declaration").

The Units are also designated as Tax Lots (SEE RIDER BELOW) in Block 2359 of Section 9 (formerly part of Base Lot 51 in Block 2359) of the Borough of Bronx on the Tax Map of the Real Property Assessment Bureau of the City of New York and on the Floor Plans of the Building and filed in the Real Property Assessment Bureau of the City of New York on February 24, 2010 as Condominium Plan No. 127 and also filed in the City Register's Office on February 25, 2010 as Condominium Map CRFN 2010000065347.

TOGETHER WITH an undivided (SEE RIDER BELOW) interest the Common Elements (as such term is defined in the Declaration).

The land upon which the Building containing the Units is situated is bounded and described as follows:

ALL that certain plot, piece or parcel of land, situate, lying and being in the Borough and County of the BRONX, City and State of NEW YORK, bounded and described as follows:

BEGINNING at the corner formed by the intersection of the southerly side of EAST 156TH STREET (70 feet wide) with the easterly side of BROOK AVENUE (80 feet wide);
running thence easterly along the southerly side of EAST 156TH STREET, 81.10 feet to a point;
running thence southerly along a line forming an angle of 103 degrees 44 minutes 20 seconds on the Southwest, with the southerly side of EAST 156TH STREET, 476.67 feet to a point;
running thence westerly along a line forming an angle of 89 degrees 41 minutes 26 seconds on the Northwest, with the last mentioned course, 40.33 feet to a point;
running thence northerly along a line forming an angle of 90 degrees 18 minutes 36 seconds on the Northeast with the last mentioned course, 15.00 feet to a point;
running thence westerly along a line forming an angle of 90 degrees 18 minutes 36 seconds on the Southwest with the last mentioned course, 137.13 feet to the easterly side of BROOK AVENUE; and
running thence northerly along the easterly side of BROOK AVENUE, 490.01 feet to the corner, the point or place of BEGINNING.
