

YOU ARE INVITED TO A PUBLIC MEETING

SUBJECT: Roosevelt School District Middle School Site Remediation
Hamlet of Roosevelt, Town of Hempstead, Nassau County

PURPOSE: To update the public about the progress related to the investigation and remediation of the contamination at the new Roosevelt Middle School construction site. We will discuss the site investigation and remediation, sampling of the soil on properties off the middle school site, sampling of groundwater and related health issues.

DATE/TIME: May 23, 2007 at 7:00 p.m.

PLACE: United Cerebral Palsy Center
380 Washington Avenue
Roosevelt, New York 11575

DIRECTIONS: From Exit 23 on the Southern State Parkway, proceed south on Meadow Brook Road for about 0.7 miles, turn right on to Washington Avenue. The Cerebral Palsy Center is a short distance on the left hand side of the road.

Please see the attached Public Information Sheet that includes a list of contacts for further details on the site remediation. Responses to questions received during the January 18, 2007 meeting are also enclosed.
