

New York State Department of Environmental Conservation Endorsed, 4-Hour Erosion and Sediment Control Training

“Protecting New York’s Natural Resources with Better Construction Site Management”

Handouts

1. References (web pages for references in PowerPoint presentation are provided by slide # under References, below)
2. PowerPoint slides (6 slides/page): Agenda/Introduction (Slide 2); Permit Requirements (Slide 16); Construction Site Inspections (Slide 40); Erosion & Sediment Control (Slide 60); Winter Site Operations (Slide 154) and More Training, Information & Help (Slide 163)
3. Blue Book Lite (Slide 2 reference) ~ <http://www.dec.ny.gov/chemical/48403.html>
4. GP-0-08-001 "Moving Dirt" brochure (Slide 2) ~ http://www.dec.ny.gov/chemical/8699.html#training_materials
5. Agricultural Project Requirements (Slide 28) ~ http://www.dec.ny.gov/chemical/8699.html#training_materials

References

1. NYS Waterbody Inventory ~ <http://www.dec.ny.gov/chemical/23846.html>
2. NYS Priority Waterbody List (PWL) or so-called Clean Water Act “Section 303(d)” List (slides 8, 25) ~ <http://www.dec.ny.gov/chemical/31290.html>
3. New York State Environmental Quality Review, i.e., SEQR (slides 10, 154) ~ See Related Link in right column of Permits web page: <http://www.dec.ny.gov/permits/363.html>
4. NRCS web soil survey (slide 20) ~ <http://websoilsurvey.nrcs.usda.gov/app/WebSoilSurvey.aspx>
5. DEC Stormwater Interactive Map for water classifications of NYS waterbodies, MS4 boundaries, etc. (slides 20, 21, 26) ~ <http://www.dec.ny.gov/imsmaps/stormwater/viewer.htm>
6. NYS Historic Preservation Act, Section 14.09 (slide 22) ~ <http://nysparks.state.ny.us/shpo/technical-assistance>
7. New York Standards and Specifications for Erosion and Sediment Control, the so-called “NYSDEC Blue Book” (slides 23, 31, 32, 152) ~ <http://www.dec.ny.gov/chemical/29066.html>
8. NYS Stormwater Management Design Manual (slides 23, 152) ~ <http://www.dec.ny.gov/chemical/29072.html>
9. NYSDEC SPDES General Permit for Stormwater Discharges from Construction Activity: Permit No. GP-0-08-001 (slides 25, 27, 28, 29, 30, 31, 46, 47, 156) ~ <http://www.dec.ny.gov/chemical/43133.html>
10. Notice of Intent (NOI) (slide 23, 26, 28, 29, 47) ~ <http://www.dec.ny.gov/chemical/43133.html>
11. Municipal Separate Storm Sewer System (MS4) Stormwater Pollution Prevention Plan (SWPPP) Acceptance Form (slide 26, 27, 28, 29) ~ <http://www.dec.ny.gov/chemical/43133.html>
12. Certified Professional in Erosion and Sediment Control (CPESC), Inc (slides 42, 163) ~ <http://www.cpesc.org> Also, soon to come: <http://www.envirocertinternational.org/> and FYI in Northeast: <http://www.ieca-nechapter.org>
13. **DEC Stormwater Training** webpage (slides 42, 163) ~ <http://www.dec.ny.gov/chemical/8699.html> The web page would link to online resources (e.g., stormwater tool boxes, permits, forms, etc.). Scheduled training is updated monthly and includes DEC endorsed, 4-hour Erosion and Sediment Control training events, Statewide. Review the web page to see if other training would satisfy the general permit training requirement; e.g., the SUNY-ESF “Fundamentals in ESC” course is 6 hours but would satisfy the general permit training requirement ~ <http://www.esf.edu/outreach/stormwater>
14. Notice of Termination (NOT) (slide 48) ~ <http://www.dec.ny.gov/chemical/43133.html>
