

PRELIMINARY NOTICE OF PROPOSED WATER WELL

- FORM INSTRUCTIONS -

1. DEC WELL NUMBER

Do not fill in. DEC will assign number and notify driller. Except in the counties of Nassau, Suffolk, Queens, and Kings, driller does not need well number to commence with drilling. In Nassau, Suffolk, Queens, and Kings counties contact the DEC Region 1 office at the address or telephone number listed on the front of this form.

2. WELL OWNER

Supply the name of person or company that will own well.

3. OWNER MAILING ADDRESS

Indicate current mailing address and telephone number of well owner.

4. WELL LOCATION

Anticipated well location must be supplied with as much detail as possible. (Include county in box number 5.) Driller may supply latitude and longitude for proposed wells by using DEC's on-line map coordinate assistant. See the DEC web site (www.dec.state.ny.us/website/dow/driller_ext.html). Alternatively, the proposed well may be located on a map using a photocopy of a portion of USGS or DOT 1:24,000 quadrangle map (include name of map) or a detailed road map. It is highly recommended that (GPS) Global Positioning System equipment be used.

6. DESIRED YIELD

Circle one choice. Make best estimate of the desired yield.

7. PURPOSE OF WELL

Commercial; Dewatering; Domestic; Fire Protection; Industrial; Institutional; Irrigation; Municipal; Public Water Supply; Stock Supply; Test.

9. DRILLER

Indicate name of driller responsible for on-site supervision of work.

10. DRILLER REGISTRATION NUMBER

Show the DEC driller registration number of individual listed in item 9 or of the company listed in item number 8.

11. DATE OF NOTIFICATION

Indicate date that this notification was made to DEC.

12. HOW DO YOU WANT TO RECEIVE THE DEC WELL NUMBER?
