

Change to Automatic Notifications for NY-Alert

Under the SPRTK act, there are specific entities that must be notified in case of a discharge of raw or partially treated sewage. The contacts for these entities will change over time. It is the responsibility of the owner of the POTW or POSS to keep the Department updated on any changes to the entities that they need to notify under the law. Please use this form to change the contact information.

Directions:

- Enter your SPDES ID or POSS ID and the facility name in Section A.
- To add an entity, use Section B, and select New.
- To update existing information for a contact, enter the information in Section B and select Update.
- To remove a contact, enter the information in Section C.
