ENDANGERED/THREATENED SPECIES LICENSE APPLICATION

Instructions

STATUTORY AUTHORITY: Environmental Conservation Law Section 11-0535 and 6 NYCRR Part 182 and Part 175.

The following instructions correspond numerically with the numbers on the attached Special License Application. When completing this application, please provide sufficient detail to answer each question. The answers you provide are the basis for approving or denying your license. Incomplete or vague applications will be returned. If approved for a license, your answers on this application will constitute an integral part of your license. You will be expected to adhere to the statements on your application.

1. Name of applicant.
2. If applying as a business or organization list the name of the business.
3. Mailing address and county of residence of the applicant.
4. Day and night telephone number of the applicant.
5. Date of birth of the applicant.
6. Address of premises to be licensed, if different from your residence.
7. Check the appropriate box.
8. If renewing a previous license, please fill in your previous license number.
9. List the animal(s) you wish to license. Include all requested information about each animal. Attach additional sheets if necessary.
10. Answer this question only if you already possess the animal(s) you will be licensing. When Completing this question your answer to question 10a should correspond to the animal(s) you listed in question 9a and so forth.
11. Complete this question if you possess the animal(s) now or describe how you will obtain the animal(s).
12. Provide the name and address of the individual from whom you will obtain the animal(s). If the individual holds a valid Federal Permit of New York State Fish & Wildlife License or Permit to sell the listed animal(s), record their complete license number.
13. Please provide the specific reason(s) for which you will be licensing the animal(s).
14. You must provide housing facilities which will ensure that the animal(s) cannot escape. Describe in detail how you will house the animal(s). You will be expected to provide the type of facilities you describe in this question. A representative from the Department may inspect your facilities before a license is issued.
15. You must provide humane treatment for the animal(s) you wish to license. Describe in detail how you will ensure humane treatment for the animal(s). You will be expected to adhere to the methods you describe in this question. A representative from the Department may inspect your facilities before a license is issued.
