

DOMESTIC GAME ANIMAL BREEDER - CLASS 'A' - LICENSE APPLICATION

Instructions

STATUTORY AUTHORITY: Environmental Conservation Law Section: 11-0103(4)(b)(c) and NYCRR Part 153.1.

The Department of Environmental Conservation may, in its discretion, issue to an owner or lessee of wholly enclosed lands, which are fenced, or an entire island, a Domestic Game Breeder License, which permits the possession and propagation of captive bred white-tailed deer.

A 'Class A' license authorizes the licensee to purchase, possess, propagate, transport, and sell captive bred white-tailed deer dead or alive.

The following instructions correspond numerically with the numbers on the Domestic Game Animal Breeder License Application. When completing this application, please provide sufficient detail to fully answer the questions. The answers you provide are the criteria for approving or denying your license. Incomplete or vague applications will be returned to the applicant.

1. Name of applicant.
2. If applying as a business or organization list the name of the business.
3. Mailing address and county of residence of the applicant.
4. Day and night telephone number of the applicant.
5. Date of birth of the applicant.
6. Address of premises to be licensed, if different from your residence.
7. Please check the appropriate box.
8. If you checked "Renewal of Previous License" in Question 7 please:
 - a. Provide the license number of your previous Domestic Game Animal Breeder License AND
 - b. Note any changes such as new address, change in license Class, etc.
9. Please check the appropriate box:

If you checked "Renewal of a Previous License" in Question 7 you are required to furnish an annual report not later than April fifth of each year. Your renewal application will not be processed until you submit your annual report. Annual report forms are available from the NYS DEC Special Licenses Unit.
10. Please check the appropriate box.
 - A qualification for Domestic Game Animal Breeder License is that the applicant be the owner or lessee of wholly enclosed lands, which are fenced, or entire island which will serve as the licensed premises.
 - Wholly enclosed land means lands the boundaries of which may be identified by wire, ditch, fence, road, highway, or water or in any visible or distinctive manner which indicates a separation from the surrounding contiguous territory.
11. Please provide the total number of white-tailed deer you intend to possess on your licensed premises.
12. Describe, in detail, the facilities you will provide for possessing and propagating white-tailed deer. Include a description of your fencing specifications.
13. The DEC may maintain a list of individuals who have been issued a Domestic Game Animal Breeder License - Class A. If you would like your name to appear on this list, check the box marked YES. If not, check the box marked NO.
14. Compute the cost of the NYSDEC tags you will need (at the rate of \$.05 per tag) to comply with the following tagging requirements:

The licensee must affix a NYSDEC tag to each quarter and loin of each white-tail deer carcass killed and the tag must remain affixed until the game is finally prepared for consumption. No deer so killed, nor any portion of the carcass thereof, may be possessed without a tag and no person may sell a quarter or a loin without a tag.
