

Responsibilities of

Parents of Junior Hunters

with the
Permission Form
Required for Minors to Attend a Hunter Education Course

Parents and Legal Guardians:

Please fill out and sign the form below. Your written permission is required by law to allow people under 16 years old to attend the hunter education course and handle firearms.

Minimum age for course ~ 11 years old. There are exceptions for hunting in other states where hunting is legal for younger people.

Minimum age for license ~ 12 years old. (Adult supervision required until age 16)

About the Course:

Trained instructors certified by the Department of Environmental Conservation supervise lessons in the safe handling of firearms, and most courses include shooting exercises. Students under 12 years old are allowed to handle only air guns.

In addition to firearms safety, the hunter education course teaches basic outdoor skills and responsible hunting techniques. Emphasis is on helping students become people who will: • Respect people, wildlife, and nature; • Be safe, responsible and ethical hunters; • Appreciate the role of humans as a part of nature; and • support conservation.

Parents are urged to participate with youngsters in completing homework assignments. Discuss the lessons, and help students find the correct answers to quiz questions, without actually giving the answers away.

NOTE TO INSTRUCTORS: This form is your proof that instructors are authorized by the parent or guardian of the student whose name appears on this form to supervise that student in firearms handling and shooting exercises in your courses. Refer to your Sportsman Education Instructor Policies and Procedures Manual for rules regarding student age requirements and use of firearms by minors in courses. Keep this form for at least one year after the completion of the course.

The Junior Small Game Hunting License ~ RULES

The Junior Small Game Hunting License is a learner's permit for hunters who are at least 12 years old, and less than 16 years old when the license is purchased.

Requirements:

- Hunter Education course certificate.
- Proof of Age of the new hunter (birth certificate).
- Parent or Legal Guardian must go with youngsters to co-sign the license.
- Price: \$5.00 (residents and non-residents).

When hunting...

Junior Hunters may hunt for small game only (as of 2007 -- check newer regulations) and can hunt only with adult supervision, as listed below:

A 12 or 13 year old...

must be accompanied by a parent or legal guardian or relative over age 21 who has a hunting (small game) or sportsman license. The relative must also have written permission of the parent or legal guardian.

A 14 or 15 year old...

must be accompanied by a parent or legal guardian or any person over 18, who has a small game or sportsman license. This person must also have written permission of the parent or legal guardian.

"Accompanied" means that the licensed adult hunter must:

1. Watch the minor at all times.
2. Communicate with the minor, providing advice and assistance to protect the minor, and prevent unsafe or illegal actions.

Upon turning 16 years old the Junior Hunting License entitles the bearer to hunt small game as an adult until the next license year. To hunt big game, a 16 year-old must obtain an adult small & big game hunting license. Adult supervision for big game hunters is required during the first year of big game hunting.

See Current Hunting & Trapping Regulations Guide (at license outlets) for latest information and special hunting opportunities for young people.

Assume Control from Trigger to Target...and Beyond

1. Assume every gun to be loaded.
2. Control the Muzzle - safe direction.
3. Keep your finger off the trigger until ready to shoot.
4. Be sure of your target and beyond.
