APPENDIX K RABIES VECTOR SPECIES WILDLIFE REHABILITATION LOG AND TALLY INSTRUCTIONS

The *Rabies Vector Species Wildlife Rehabilitation Log and Tally* form is to be used in conjunction with your **Wildlife Rehabilitation Log AND Annual Wildlife Rehabilitation Log Tally**.

When you accept or handle a RVS you must immediately complete the Rabies Vector Species Acceptance Interview; record the RVS entry on your Wildlife Rehabilitation Log on the last day of each month (as per standard procedure); complete the Annual Wildlife Rehabilitation Log and Tally (as per end-of-the-year standard procedure) AND complete the **RABIES VECTOR SPECIES WILDLIFE REHABILITATION LOG AND TALLY** for RVS only.

The following instructions correspond numerically with the numbers on the Rabies Vector Species Wildlife Rehabilitation Log and Tally. When completing this form, please provide accurate information.

1. Provide your Name and Address.
2. Provide your Wildlife Rehabilitator License Number that was valid for the year that you are reporting.
3. Provide the year that you are reporting the information.
4. Provide the NYSDEC Region Number where you reside.
5. Provide your county of residence.
6. Record the totals for Bats, Raccoons and Skunks from your Wildlife Rehabilitation Log. The "Other" column is for species that may be added to the RVS list in the future. Add the columns under TOTALS.
7. Provide the species, numbers and positives for rabies of all RVS that you handled or responded to that were sent to the Rabies Laboratory.
8. Provide the species and numbers of RVS that were handled by you and vaccinated by a veterinarian with Imrab BEFORE you released the animal to the wild.
9. Please **attach** ALL copies of the Rabies Vector Species Acceptance Interview forms that were completed by you for the RVS that you handled under your Wildlife Rehabilitator License.

AT THE END OF THE LICENSE YEAR, SUBMIT THIS FORM TOGETHER WITH YOUR WILDLIFE REHABILITATION LOG AND YOUR ANNUAL WILDLIFE REHABILITATION LOG TALLY AS PART OF YOUR REPORTING PROCESS.
