

INSTRUCTIONS • Wildlife Rehabilitation Log

Wildlife Rehabilitators must keep and maintain a record of operations, known as the Wildlife Rehabilitation Log conducted pursuant to their license. When completing the Wildlife Rehabilitation Log please adhere to the following guidelines:

1. Type or Print Legibly.
2. Use black ink ONLY.
3. Complete ALL sections of the log. If something is Unknown, write UNK.
4. Printouts may be sent provided they are IDENTICAL in format to the Wildlife Rehabilitation Log.
5. Send only ORIGINAL logs at renewal time. NO copies.
6. Logs which are INCOMPLETE, ILLEGIBLE, or MUTILATED will be returned to the licensee to be rewritten
7. Please photocopy/print a log to meet your anticipated needs before you fill in the blanks.
8. If applicable, write your federal permit expiration date for Migratory Birds.
9. Please Check if you would like your name on the statewide list of Wildlife Rehabilitators
