Nassau County  
Sub-Slab Depressurization Work Plan**

Dear Mr. Robinson:

The New York State Department of Environmental Conservation (NYSDEC) and the New York State Department of Health (NYSDOH) have received and reviewed the January 2023 Sub-Slab Depressurization Work Plan (SSDSWP) for the Atlas Graphics site, which describes the installation and testing procedures for a sub-slab depressurization system (SSDS) for the on-site building.

The SSDSWP is approved. Please inform the NYSDEC at least seven days in advance of field work. If you have any questions, please contact me at 518-402-9613.

Sincerely,

Project Manager  
Remedial Bureau A
