Dear Mr. Ascher:

In accordance with the Order on Consent for the above-referenced Site, CA RICH is pleased to provide you with the following Monthly Progress Report.

During the past month the following activities were performed:

- The Soil Vapor Extraction System (SVE) remained in operation.

The following work is planned for this Site:

- Operation and maintenance of the SVE system will continue; and
- A sample of the raw soil vapor from the SVE system and from the on-site groundwater monitoring wells will be collected in December.

If there are any questions regarding this letter, please do not hesitate to call our Office.

Sincerely,

CA RICH CONSULTANTS, INC.

Dear Mr. Weinstock:

Enclosed are the analytical results for the samples received by our laboratory on May 01, 2008. All test results meet the quality control requirements of AIHA and NELAC unless otherwise stated in this report. All samples on the chain of custody were received in good condition unless otherwise noted.

Results in this report are based on the sampling data provided by the client and refer only to the samples as they were received at the laboratory. Unless otherwise requested, all samples will be discarded 14 days from the date of this report.

Please contact Charlene Moser at (888) 432-5227, if you would like any additional information regarding this report.

Thank you for using Galson Laboratories.

Dear Mr. Ascher:

In accordance with the Order on Consent for the above-referenced Site, CA RICH is pleased to provide you with the following Monthly Progress Report.

During the past month the following activities were performed:

- The starter on the SVE blower was repaired; and
- The annual indoor air samples were re-collected and a sample of the extracted soil vapor was collected.

The following work is planned for this Site:

- Operation and maintenance of the SVE system will continue;
- The annual report will be prepared.

If there are any questions regarding this letter, please do not hesitate to call our Office.

Sincerely,
