**Development and Purge Water**

Dear Mr. Blaum:

Please see the attached analytical data for the development, purge water and drill cuttings generated during the installation and sampling of MW-16S and MW-16D. Based on this analytical EnviroTrac recommends that these materials be disposed of on-site in accordance with Contract Documents.

If you have questions or would like further clarification of an issue, please contact me.

Sincerely,

A handwritten signature in blue ink, appearing to read "Michael Rose".
