

Karen

Attention Residents

The U.S. Environmental Protection Agency (EPA) has scheduled:

A public availability session regarding the newly implemented **Alternate Water Supply project** for those affected residents in the Hopewell Junction area at the **Shenandoah Road Groundwater Contamination Superfund site, Hopewell Junction, New York.**

Venue: Fire District Headquarters, 2502 Route 52, Hopewell Junction, NY

Date: Tuesday, April 21, 2009

Time: 6:00pm – 8:00pm

Purpose: At this session, EPA, IBM and its technical consultants, New York State, Town of East Fishkill, and some other local and county agencies will provide information and answer questions that the residents may have about this new water supply system.

If you have any questions, please contact:

Cecilia Echols, Community Involvement Coordinator at 212-637-3678 or toll free at 1-800-346-5009 or email: echols.cecilia@epa.gov.

Damian Duda, Project Manager at 212-637-4269 or email: duda.damian@epa.gov.
