Comments: An agreement between the USEPA and the Performing Settling Defendants (RP) was signed in Fall 1998. The RP has taken over all O&M activities at the site starting November 1998.

Other. The EPA Support Agency Assistance Grant that pays the DEC to do O&M oversight (i.e. read reports, analyze data) was not approved by EPA for the 1998 FY ending September 30, 1998. The EPA is attempting to reword the Grant (now a Cooperative Agreement) so the DEC can continue the O&M oversight and get reimbursed in FY 1999.
